

HELP YOUR CUSTOMERS TO BECOME BETTER BOWLERS!

Score and stats on the phone

The Lanetalk app is connected to the center's scoring system, and lets players view all played frames live on their phone. For every game they play, the statistics will be more comprehensive, which gives them insights to become a better bowler!

COMPETE

Challenge friends or compete in local and global tournaments from your home center.

PRACTICE

The statistics give you smart insights about what you need to develop in your game.

FOLLOW, SHARE & BRAG

Follow friends' games, compare statistics and share your best results with others.
